CONDITIONS:

1. The breeding must be paid as follows:

Euro 1.440,00 (or € 1.800,00) at time of booking to this bank account:

BANCA CREDITO VALTELLINESE

IBAN IT 47 D 0521 60163 0000 0000 15357 – BIC BPCVIT2S

Owner 23 Quarter Horses Srl

The payment must be complete before semen collection.

2. The semen is collected in the morning **three times a week only on Monday, Wednesday and Friday.**

3. In cases where the semen is shipped, the shipping cost it must to be pay by the mare's owner. The request sent by courier must be submitted no later than 24 hours before delivery (this deadline must be adhered to in order to provide for the division of doses). It is understood that the delivery by courier will only occur on weekdays from Monday to Friday, excluding holidays.

4. This contract is subject entirely to the law and the Italian jurisdiction.

5. By signing this contract the ownership of the dam is fully and expressly declares that the property aware of the stallion and his successors (if any borrower, veterinarians, employees and / or employees) will be kept totally free from any claim from ownership of the dam itself or its related third parties in respect of any damage caused by your decision to use artificial insemination to breed the mare.

6. The Stallion Manager is not responsible for the untimely arrival or condition of the cooled transported semen as we have no control over the shipment after it leaves our custody.

7. With this contract you have include 1 doses of cooled semen. For every additional dose needed there will be a charge of 100€/dose + shipping costs.

8. 23 Quarter Horses, owner of the stallion, will rebreed the mare only for the following year under these condition (Live Foal Guarantee):

a. The mare reabsorbs;

b. The mare aborts (medical certificate required and only up 5 days after abort);

c. The mare foals and the foal death no more than the 7th day foaling (medical certificate required).

After the 7th day after foaling the owner of the stallion is free of any responsibility. That commitment will not have value in the event that the mare was not vaccinated against rhino EHV 1.4 during the 5th, 7th and 9th month of gestation. These requirements will be provided on request medical certification.
